Please list all medications that your child will require during The Rural Experience program. Please also list medication administered at home and any emergency medications.

| Name of medication | Strength (eg 10mg) | Dosage (eg 1 tablet) | Route (eg oral, via PEG) | Time/s to be given during the program | Other useful instructions or information |
|--------------------|--------------------|----------------------|--------------------------|---------------------------------------|--|
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |
|                    |                    |                      |                          |                                       |  |

I hereby consent to program staff administering the necessary medication to my child while on the program.

I agree to notify program staff if there are any changes in the above medication, by email to [info@theruralexperience.org.au](mailto:info@theruralexperience.org.au).

TO **Medical Practitioner:** *[print name]* \_\_\_\_\_ **Phone:** \_\_\_\_\_

I, the parent/carer for the abovenamed child, authorise you to discuss the child’s medical requirements with the Program Coordinator of The Rural Experience program, if required in relation to the medical care of the child during the above program.

**Parent/Carer** *[print name]* \_\_\_\_\_

**Parent/Carer Signature** \_\_\_\_\_ **Date:** \_\_\_\_\_

- NOTE:**
- The following points are for security and safety purposes:
- The parent notifies the program staff in writing to administer medication. This may include written guidelines from the prescribing health practitioner, including potential side effects or adverse reactions.
  - Provide medication in original pharmacy labelled container to the program staff.
  - Ensure medication is not out of date and has an original pharmacy label with the student’s name, dosage and time/s to be taken.
  - The student has received a dose at home without ill effect.
  - The medication will be returned with the student at the end of the program.
